Eat well on autopilot.

Your personal AI chef. Pick your country and goal, get a weekly healthy meal plan built from local ingredients, with calories on every meal.

Build my meal plan | See how it works

PLAN READY

India · Day 1

Vegetable poha + curd	350 kcal
Roti, dal, sabzi, salad	600 kcal
Roasted chana + buttermilk	200 kcal
Moong dal khichdi	500 kcal
Total	1,650 kcal

6	7 days	1 or 2	Any time
CUISINES PLANNED	PERSONAL WEEKLY PLAN	MEALS PER DAY	PAUSE OR SKIP

Four steps from hungry to handled.

Tell us your taste once. We plan, cook and deliver the rest.

01

Tell us your taste

Diet, foods you love and hate, and your goal.

02

Get your weekly plan

A 7-day menu in seconds. Swap any meal you don't like.

03

We cook and deliver

Partner kitchens prepare meals fresh in selected cities.

04

Just enjoy

Pause, skip or change your plan whenever you want.

A different plan for every kitchen.

Each country has its own ingredients, portions and calories, so healthy food still tastes like home.

INDIA

Lentils, millets, vegetables

Moong dal, chana, paneer, curd, ragi, spinach and turmeric. Veg, vegan and Jain options.

SAMPLE DAY · 1,650 KCAL
